MEMPHIS APPEAL

TUENDAY MORNING, DEC. 17, 1872.

Biboliery to clay. The last chance.

THE FRACE LAW.

The first liem in a nation' wealth is critically an important of the south. Confident of absolute superness, and of more tricked, until make the country in the the accumulation of soil, that, with the most careful management, is apt to be thrown up around them by the plough. As a country grows older and timber becomes scarce the subject of fences, trivial avit may seem, becomes one of great importance. The Legislature of Virbuyes amount of stock killed by the way rous rathroads in Georgia will result in cetablishing a general fense law. Rev. C. W. Howard, of Georgia, has recently entitled a long and interesting letter, in which he shows the amounts the various railroads of the State are compelled to pay annually for the killing of stock. We confess the figures are far above what we had supposed them to be, and even therefore a weight of the even marked from the letters raiferred from the letters ginia is discussing this subject, and the large amount of stock killed by the va-

following table shows our expense account for stock killed during the last six

penses to the State road on account of the killing of stock at one thousand dollurs per month. President Hazelburst, of the Macon and Brupswick road, says

thus barbarously put to death because He did charity enough in life. the oily landlord was unwilling to disturb the repose of his fashionable guests. New Zealanders, and others addicted to reasoned missionary, will bereafter frequent that magnificent caravanseral. The public hardly breathed freely after O Neill was shot by King in broad day- manding considerable attention in all the He is rather tall and slender, with long light beside his wife, when the sicken-ling story appeared, published yes-few days ago upon it, are succinctly set and broad, which seems to shine with terday, of Dr. West who killed, and forth in the following from the New the wealth of brain inside, then made a bonfire of the body that it might be mistaken for his own. In this low, West proposed to practice an innocent little fraud which recently served a defaulting revenue officer a good turn in Eastern Teanessee. Only three days ago, a Cincinnati butcher, a master of his art, artistically cut up as if with a server of the body that it might be mistaken for his own. In this lower party to determine what, under all the conditions of the market and considering the credit of the borrower is the said: "The nommation of Mr. Greeley at Cincinnati was very unfortunate. Under the circumstances it was about as bad a one as coold have been made. Adams was the man for the place. We could have elected him, or come so near it that we would now have a party of such strength and compactness as to his money or his name. skinned and chopped up a negro, and York Bulletin, which says that the tutcher, a master of his art, artistically cut up, as if with a sausage machine, a bis money or his name. Government insure success next time. As it is we are brother butcher. Godly Boston sent us a delightful sensation in the shape of a but it may embarrass or injure both by dead body, surgically sliced into many the imposition of arbitrary restrictions. There is no more reason why governtwo boxes with all the skill that distinguishes a Cincinuati pork-packer. The loanside value of money than there loanside value of money than the loanside value of money ody was that of a wealthy citizen, and would be for its undertaking to fix the time, as I verily believe, by nom when found was floating out to sea. The maximum price of wheat or any other commodity. The one is as much other commodity. The one is as much other commodity. The one is as much of the twelfth, tells how one Eleakley, the uncle, finding his niece, regulated by supply and demand as the barren of results. It has played out the Miss Neilson, in an abode of shame, shot her to death, five pistol balls entering the body of the wretched girl. Yesterday we recited ansarched ansarched strictions upon the terms of transactions. The people will not elect a man to the Presidency who wears the Democratic lable. The party, can not hope to come to power under that name. other horror transcending this in every incident of baseness, tarbarity and ATTORNEY-GENERAL HEISERGE, bas
